SHOW HORSE COUNCIL OF AUSTRALASIA INC.

OFFICIAL TREATMENT SHEET. June 2011

In accordance with SHC Competition Rules & where the regulations of any SHC recognised Show require, this form shall be completed for any Horse that has been administered/treated with any Medication, Drug or Substance (other than a normal nutrient) within 30 days prior to competing in any recognised or Official Show Horse Council of Australasia Inc. Show or Competition where Drug Testing is being undertaken.

This form must be submitted to the Show Ringmaster or the Show Secretary within 24 hours of any initial treatment or within 24 hours prior to competing whichever occurs first. A written declaration from a Veterinarian, detailing the Treatment administered or recommended and the date and time frame of the Treatment, should be submitted with this Form.

Where any treatment/medication continues after this form is lodged, a written report detailing such treatment shall be submitted prior to the horse's intended competition.
Upon submission of this form & any other requested information, the Ringmaster will as soon as possible, advise the Exhibitor of the eligibility (or not) of the horse to compete.
