

JUDGES – SELECTION CRITERIA AND GENERAL INFORMATION

All judges on the SHC WA Judges List please note that to remain as a National, State or Provisional you are expected to officiate at least three (3) times per calendar year at SHC qualifying fixtures (including Agricultural Shows).

Clubs are continuing to find it increasingly difficult to get judges and your commitment is vital to the success of hacking.

We ask that provisional judges make themselves available for voluntary official duties as part of their training to become an official judge. These duties will include pencilling, stewarding etc at some of the major SHC fixtures. The SHC committee may contact you re your availability to assist.
